Comments:

Comments:

Site was active for building construction during the last inspection.

Findings / Corrective Actions (Date):

Findings / Corrective Actions (Date):

- 1) No maintenance is recommended in the BMP section of this report.
 2) E&A was hired to complete inspections for the site as of 11/21/23. Olsson engineer was contact on 11/27/23 for overlot permit questions. Doug Walters for E&A Consulting Group Inc. began work for obtaining a grading permit for the City of Omaha and State of Nebraska as of 11/28/23.

 3) Due to snow cover not all BMPs could be observed during the most recent inspection.
