Create	Corrective	Action?

No - see BMP section

5.) Is dust associated with the construction activity adequately controlled on the site?
Yes
Create Corrective Action?
N/A

## Comments:

## Comments:

The site was inactive during the most recent inspection.

## Findings / Corrective Actions (Date):

Findings / Corrective Actions (Date):

1.) Some maintenance is needed in the BMP section.

2.) Stained soils should be removed by the grading equipment. Doug Bailey was informed to complete by 11/20/23. Not done as of last inspection.

Unique Name	Туре	Location	Projected Install Date	Status	Maintenance
