Comments:				
<p><b>Comments:</b> Home construction is active in various areas on site.</p> <p>An inspection was not conducted after snow events from 12/23/09 - 12/26/09 due to very dangerous driving and winter conditions even though the perception was over a ½" due to heavy amounts of snow in the metro area. An inspection will be conducted as soon as conditions allow for each site. Please contact Zach Jilek w/ E&amp;A Consulting Group, Inc. with any questions. (402-895-4700).</p> <p>Inspections on 12/28/09 and 1/5/10 were drive thru inspections. Site was covered with one foot of snow and all BMP's appeared to be in good working condition unless otherwise noted.</p>
