Checklist Questions:

1.) Are receiving waters adjacent to the project free of any significant signs of erosion or sediment that would be associated with the construction activity?

No

Create Corrective Action?

No, See BMP Section

2.) Have disturbed areas been seeded or otherwise stabilized as required? List inactive portions of the project and if stabilization measure are adequate or needed to prevent erosion.

Yes

Create Corrective Action?

N/A

3.) Are waste materials (concrete, construction material, hazardous, etc.) being managed properly?

No

Create Corrective Action?

No - See BMP Section

4.) Are construction entrances and adjacent streets being maintained adequately?

No

Create Corrective Action?

No - See BMP Section

5.) Is dust associated with the construction activity adequately controlled on the site?

Yes

Create Corrective Action?

N/A

Comments:

1.) Site was active for home construction during most recent inspection.

Current Condition:			ence on the lot prior to the			
	some of the damaged silt fence and repaired the runs left in place prior to inspection on 7/02/19. As of the inspection on 7/02/19, volunteer vegetation has filled in sufficiently to prevent erosion, therefore seeding is no longer required at this time. Boyer Young removed the damaged runs of silt fence from the lot prior to the inspection on 11/11/20. Lot was formerly identified as Lot 113. Some portions of the silt fence were loose from the t-posts during the inspection on 6/24/21. E&A inspector retied a portion of the silt fence during the inspection on 8/10/21. Homeowner began excavation on the lot prior to the inspection on 5/2/24. Due to plat change, lot will now be classified as lot 3 R VI as of 5/31/24. Homeowner cleaned the streets prior to the inspection on 5/29/24. Prairie Homes installed silt fence along the south side of the lot prior to the inspection on 6/12/24. 1.) Silt fence at the rear of the lot should be repaired. 2.) Concrete waste and construction waste should be cleaned and removed. 1.) Prairie Homes was informed to complete by 8/14/24. Not done as of the last inspection. 2.) Prairie Homes was informed to complete by 8/14/24. Not done as of the last inspection.
