An inspection was not conducted on 12/9/09 due to very dangerous driving and winter conditions even though the perception was over a ½" due to heavy amounts of snow in the metro area. An inspection will be conducted as soon as conditions allow for each site. Please contact Zach Jilek w/ E&A Consulting Group, Inc. with any questions. (402-895-4700).

Inspection on 12/11/09 was a drive thru inspection. Site was covered with one foot of snow and all BMP's appeared to be in good working condition.
